LONG SOMMEIL

Dans les temps anciens de la Chine existait un monstre qui s'appelait Nian. Il possédait le corps d'un lion ainsi qu'une corne de rhinocéros sur sa tête. Nian s'endormait dans la mer profonde en générale. Nian sortait de façon régulière, toujours à la même période de l'année.

NIAN ATTAQUE

Sa venue était souvent associée à des événements tragiques. Il décimait le bétail et s'en prenait aux gens sans qu'ils puissent y faire quelque chose pour s'en débarrasser.
